Farming Fun

Ever wonder what being a farmer was really like? Well, strap on your work boots and grab your hat—we're off to work. From planting the crops to taking care of the cows, there is lots of work to do!

Activity Highlights:

- See tractors & implements in action
 - Clean out cattle stalls
 - And much more!

Hay! - What's for Dinner?

"You are what you eat!" That's true for people and cows! We pay a lot of attention to what our cows eat at Country Dairy. You'll find out what and why we feed our cows and also, what role should dairy products play in your diet.

Activity Highlights:

- Mix up your own feed ration
 - Feed the baby cows
 - And much more

Lunch! You can purchase a lunch (sandwich, chips, cheese curds, milk) for \$5.00. If you would prefer, send a sack lunch & drink with your child, we'll have a cooler to keep it cold until lunch.
